

**American Canal Society, Inc. Collection, 1969-1996  
2001.007**

Records from the American Canal Society, including correspondence, information on a variety of canals and canal-related topics, treasurer's reports, tax information, and miscellaneous issues of *American Canals*, the society's quarterly newsletter. The American Canal Society strives to encourage the preservation, restoration, interpretation, and use of the historic navigation canals of the Americas; to save threatened canals; and to provide an exchange of canal information.
